REPEAT

After the Charleston, step L foot to left, raising R arm slowly from side of body to overhead (about 8 counts.)

Open R palm up after the word "I," very slowly lower right arm down (about 4 counts).

A strong beat 1 can be picked up on the word "Love." Finish lowering arm to the end of these 8 counts. Keep beat to the music with knee pulses, transfer weight to R foot. Continue dance with 2nd set of 8 and dance to the end of the song. It's quite FUN and you'll look very cool :-))))).
